

Andreas Ristelhuber
Regional Manager Marine Reinsurance
Swiss Re Europe S.A. German Branch

Andreas is responsible for the marine reinsurance business of Swiss Re in Germany, Scandinavia and Eastern Europe.

He holds a master degree in Law from Cologne University. He entered the insurance industry back in 1990 as a casualty claims expert. Since 1993 Andreas has been working in various roles with German marine primary and reinsurance markets.

Apart from his responsibilities within Swiss Re Andreas leads the marine cargo and liability sub-committee of the German Insurance Association GDV.

In his various roles Andreas has specialized in the development of standard wordings and tools to improve monitoring and control of cargo warehouse accumulation.
