

## Pascal Dubois

Chief Executive Officer, CESAM & IUMI Loss Prevention Committee Chair

Pascal Dubois has over 30 years of experience in the marine insurance industry. Pascal graduated from an International Business School in Paris and holds a Master's Degree in Law and Economy of Transportation at the University Paris I – Panthéon / Sorbonne.

Pascal Dubois has been Marine Manager for companies such as Helvetia, La Neuchâteloise, Winterthur, MMA Covea and Swiss Re Corporate Solutions.

He is now the Chief Executive Officer of the CESAM (Study and Service Committee for Marine Insurance) based in Paris. This group represents the interest of 25 insurance companies mainly to administer and promote a worldwide network of surveyors, major casualty claims (especially GA), war rating of countries/areas, a technical accounting market system of the coinsurance flows as well as organizing the annual two-day event of the French marine insurance industry.

Pascal is also part of ParisMAT which is an initiative promoting the French marine insurance center.

Pascal Dubois has been a member of the IUMI Facts & Figures Committee for two years before joining the Loss Prevention Committee in 2015 and chairing it since 2018 until today.
