Charlotte Røjgaard is the Global Head of Bureau Veritas' marine fuel services, VeriFuel. Charlotte has a Master of Science degree in Chemical Engineering from the Technical University of Denmark and began her career at MAN Energy Solutions. Following a successful 15 years with MAN, she moved to Singapore to head up the technical team at DNVPS for five years. Charlotte joined Bureau Veritas in 2015 as Global Technical Manager for VeriFuel. In this time, she has been instrumental in strengthening the company's marine fuels expertise and successfully launching the VeriFuel brand.

Charlotte represents Bureau Veritas' VeriFuel at conferences and sits on numerous key industry committees, including ISO 8217/TC 28/SC 4/WG 6 and CIMAC WG7 Fuels for which she is currently the secretary.
