### Experience

After an experience of nearly two years at the French Embassy in South Africa as Commercial attaché for the agricultural-food industry sector, Fabrice LEVESQUE established the firm CL surveys in the early nineties and he developed own CL companies in France, in United Kingdom in Belgium, in The Netherlands, in Spain, in Russia and in China. CL is also managing an international desk for worldwide surveys and notably a specialised department CL COMMODITIES.

He simultaneously manages (or managed) other firms in the sector of food-processing and control of commodities (Gafta, Fosfa...) as well as in the catering/hotel industry.

He is also involved in the associative sector.

He intervened in numerous surveys around the world (Europe, United States, Canada, South Africa, Madagascar, Brazil, Russia, Africa, Venezuela, Argentina, Brazil, Egypt Iran, Jordan, Thailand, the United Arab Emirates, Dagestan, Algeria, Iran, China...).
